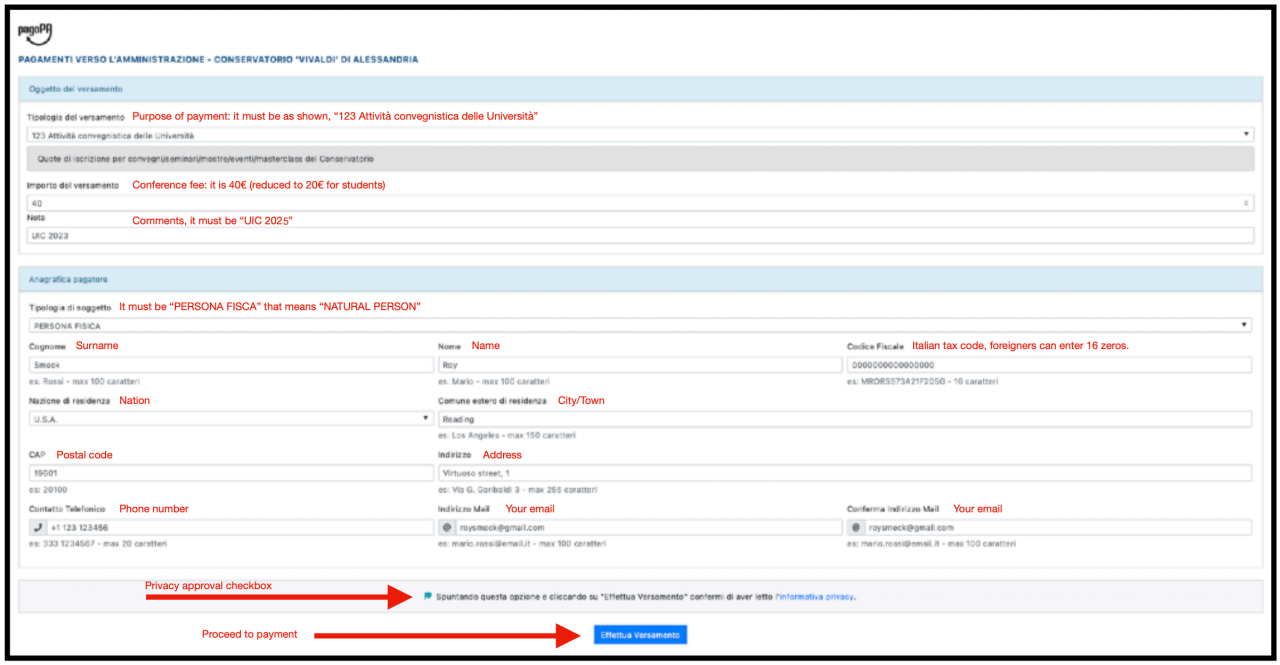
Instructions for Credit Card Payment for UIC 2025

As UIC 2025 is organized by an Italian public institution, we are required to use the payment systems of the public administration, which are primarily in the Italian language. However, you can still make credit card payments from abroad by following these instructions. If you have any questions or doubts, please contact **info@ukuleleresearch.org**.

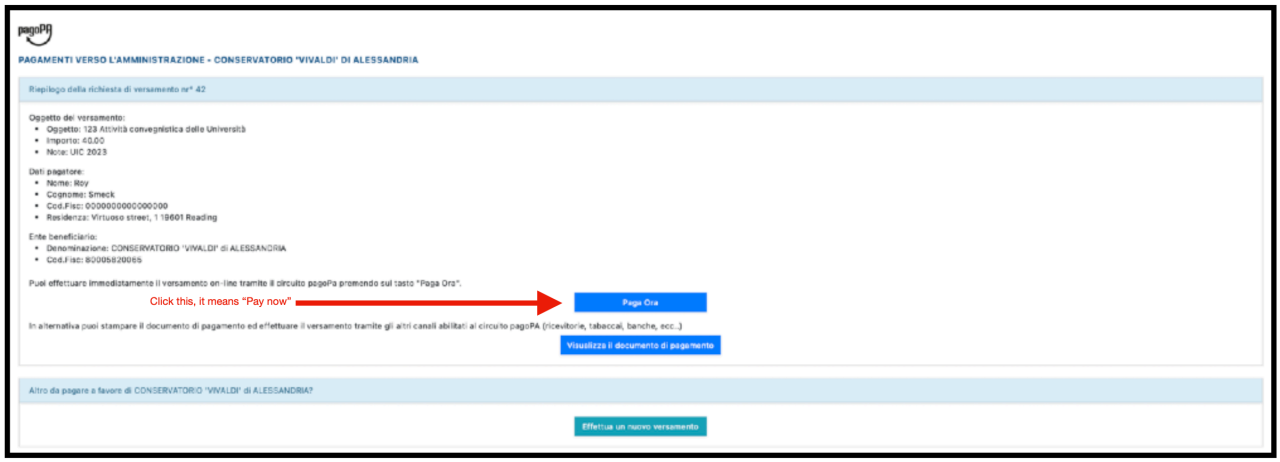
These instructions are for non-Italian participants.

The link to proceed with the payment is as follows:
https://pagopa.suite.istruzioneweb.it/portali/pagopa/?idDominio=80005820065.

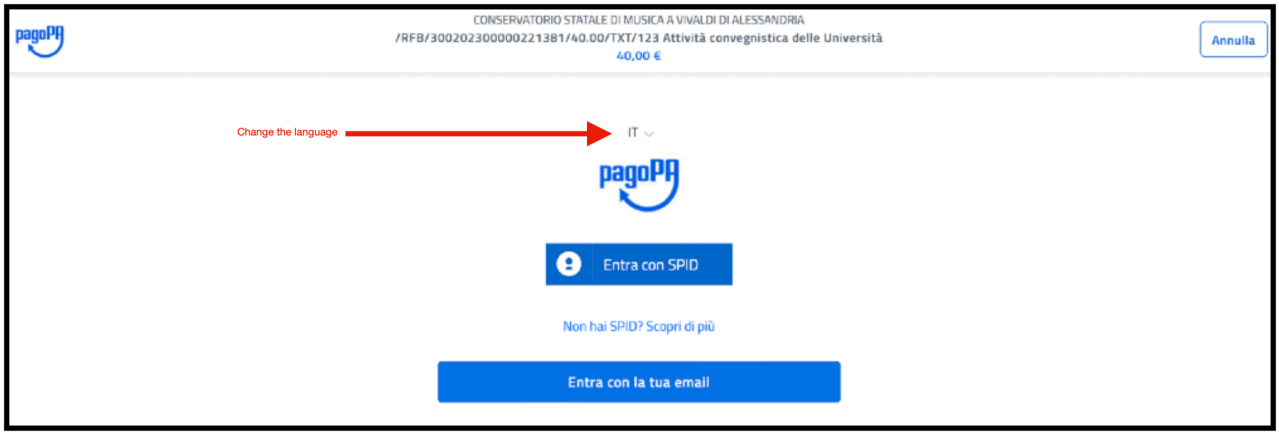
Fill out the page that appears following the instructions written in red in the following screenshot.

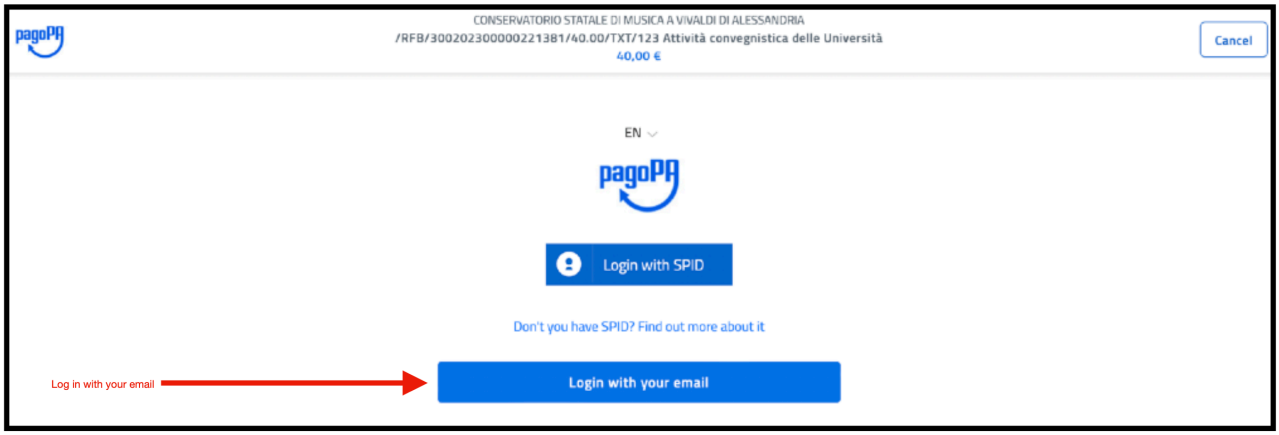


The following page will appear. Check your data and click as indicated.



The following page will then appear, if you wish (it is not mandatory) change the language and then click as indicated.





Enter the same email you used for your data and proceed to the next payment window.

You can now make the payment using your credit card. After completing the payment process, you will receive a confirmation via email. You can upload a copy of the email confirming the payment to the registration form:

Thank you for your patience and for registering for UIC 2025!
